

# Welcome to Bug Club

## What is Bug Club?

- A reading programme that the school will use to help teach reading
- Carefully graded eBooks and online games
- Children access eBooks via a personalised website
- The book content features some well-known characters and brands
- There are lots of different types of books, including story, information, comics, thrillers, plays, fantasy to name but a few

## Why are we using eBooks?

- Children can enjoy reading books onscreen and completing fun quiz questions found in the eBooks
- The quiz questions will help the children practise their reading skills
- The Foundation and KS1 eBooks are also audio-books, so children can enjoy hearing an expressive reading of the story

## When can children use the eBooks?

- If you have access to an internet connection at home, your child can log on whenever they want to, from home
- If you don't have internet access, we will be making computers available during the school day and at homework club

## Using the eBooks

- We are providing each child with their own login details to a website where they can read eBooks. Each child's login details will be different:

**www.bugclub.co.uk**

**School ID: jm3j**

**Username:**

**Password:**

- Your child will see eBooks on their homepage (KS2 children will need to click into *My books*)
- We will allocate eBooks according to the reading level they are on
- Click on the book cover & see how many quiz questions there are
- Read the book and click on the bug icons to open the quiz questions
- Your child does not need to finish all quiz questions in one sitting. They can come back to a book later.

## Bug Points and Rewards – KS1

- When they have finished all quiz questions in an eBook, children will gain some Bug Points.
- When they have read a few eBooks, they will have enough Bug Points to gain a reward.
- A reward will appear on their screen, and they can see this reward in 'My rewards'.
- 

## Bug Points and Rewards – KS2

- At Key Stage 2, children will have a choice of an accessory for their bug avatar or an online game.

## Getting the most out of the eBooks

- Children can read at their own pace
- Encourage your child to attempt all quizzes.
- We can track their progress and help them with types of quiz questions they struggle with.
- Allow your child to read a favourite eBook again.
- Let's have a go!
